Dear New Beaver Borough,

This letter is to notify New Beaver Borough that the Pennsylvania Turnpike Commission (PTC) will be installing fiber optic cable and conduit on the outside of the bridges carrying the Pennsylvania Turnpike I-376 over the listed roads between September 2023 and September 2024. This work will last approximately two (2) days on each road and each closure is anticipated to be a separate event.

During working hours, at least one lane of two-way traffic will be maintained on each road using flaggers and/or traffic control devices as specified in the Pennsylvania Department of Transportation's Publication 213, *Temporary Traffic Control Guidelines*. Specific closure information for each location is attached.

The contractor, Swank Construction, will notify New Beaver Borough at least five (5) business days in advance of work that will impact traffic on each road.

If you have any questions, please contact Chuck Debick, PE, Swank Construction Project Manager, at 724-335-6000.

Very truly yours,

A handwritten signature in cursive script that reads "Charles Debick".

MPT Narrative

IN ACCORDANCE WITH THE PENNSYLVANIA DEPARTMENT OF TRANSPORTATION'S PUBLICATION 408, HIGHWAY CONSTRUCTION SPECIFICATIONS, SECTION 901 AND AS FOLLOWS:

PTC Bridge Number BV-118 carries I-376 over Edwards Road. The conduit to run the proposed fiber optic cable will be attached to the outside of the I-376 Southbound bridge parapet via a bucket truck parked on Edwards Road.

One lane of Edwards Road traffic will be temporarily closed using PATA 107. Modifications to the PATA's for the nearby intersections and/or driveways will be completed using GA-6.

The contractor will notify New Beaver Borough 5 Days in advance of the scheduled roadwork. If any changes occur to the restrictions while work is ongoing, they will also notify New Beaver Borough.
